

Technical drawing of the S 1000 safe, showing three views: front, top, and bottom.

Front View: A rectangular safe with a width of 450 mm and a height of 750 mm. It features a single handle at the bottom center.

Top View: A shield-shaped view showing the top of the safe. The overall width is 450 mm. The distance from the top edge to the center of the handle is 179 mm. The distance from the center of the handle to the bottom edge is 211 mm. The handle is centered horizontally.

Bottom View: A shield-shaped view showing the bottom of the safe. The overall width is 450 mm. The distance from the bottom edge to the center of the handle is 150,05 mm. The distance from the center of the handle to the top edge is 140,95 mm. The handle is centered horizontally. The bottom edge has a radius of R750. The top edge has a radius of R30. The side edges are angled at 15° and 30°.
